

America Saves Week is February 21 – February 28, 2010.
Go to www.americasavesweek.org and learn how you and your organization can participate.

AARP unemployment resources

AARP has created a number of resources to help Americans navigate these tough economic times and money matters in general. As part of their outreach, they wanted to alert you to a new article and related resources we are making available should you be interested in making use of them in any way.

AARP's "[What to Do if You Loose Your Job](#)" article highlights the rise in the unemployment rate and makes use of that information to drive readers to related materials that may be of interest. Please feel free to use these materials to help your constituents in any communications you provide. AARP can provide these in other formats should that prove helpful.
