Grant Funding Opportunity

The following comes from ASEC Partners, [U.S. Department of Education](http://www.ed.gov) and [Council for Economic Education](http://www.asec.org).

U.S. Department of Education/Council for Economic Education Excellence in Economic Education Program

The Council for Economic Education announced a new sub-grant competition funded by the United States Department of Education's Office of Innovation and Improvement Excellence in Economic Education Program.

Purpose: To promote economic and financial literacy among students in kindergarten through grade 12.

Application deadline: September 10, 2010

Eligible entities: *Any state education agency, local education agency, or state or local economic, personal finance, or entrepreneurial education organization that works with K-12 students may apply.*

- a private-sector entity
- a state educational agency
- a local educational agency
- an institution of higher education
- an organization promoting economic development
- an organization promoting educational excellence or
- an organization promoting personal finance or entrepreneurial education

Applicants are required to show how they will match the federal grant with an equal amount of funds from non-federal funding. All funds from this grant must be used to supplement and not supplant other federal, state, and local government funds expended to support activities appropriate for this grant.

Eligible entities can apply for funding in the following subgrant categories:

- Teacher Training Programs
- School-based Student Activities
- Replication of Best Practices
- Distribution of Curriculum and Teaching Materials
- Evaluations of Impact of Economic and Financial Literacy Education Research
- Economic and Financial Literacy Research
