

America Saves Week is February 20 – February 27, 2011.
Go to www.americasavesweek.org and learn how you and your organization can participate.

Spanish Language Resources on Choose to Save

ASEC recently updated the Spanish language content on the Choose to Save Web site, <http://choosetosave.org/resources/#SpanishSpeakers>, to reflect content being produced by all of the ASEC partners. While we tried to include all of ASEC partner Spanish financial capability content, if you notice that any brochures/quizzes/pages are missing, please feel free to contact me and we will update the page.
