Go to www.americasavesweek.org and learn how you and your organization can participate.

After the Financial Crisis: Changing Financial Attitudes and Behaviors Among Young Adults

Did you know? During the economic crisis:

- *The average credit card balance in students rose **60 percent**...*
- *Student loan balances increased by **90 percent**...*
- ***Three times** as many students cut back on classes...*
- *Student trust in financial institutions declined by **40 percent**...*
- *There was a **25 percent** increase in students using one credit card to pay off another...*

Want to learn more? Attend a free webinar on the Arizona Pathways to Life Success for University Students (APLUS) Wave 1.5 research. Funded by the National Endowment for Financial Education® (NEFE®), the study provides an inside look at how the economic crisis affected college students.
