

**America Saves Week is February 21 – February 28, 2010.
Go to www.americasavesweek.org and learn how you and your
organization can participate.**

Philadelphia Saves Week

The following comes from one of ASEC Partner [America Saves](#) local saver campaigns [Philadelphia Saves](#).

Philadelphia Saves, partnering with [Consumer Credit Counseling Services of the Delaware Valley](#), has a series of workshops, a savings tip drawing, and a financial boot camp planned for [Philadelphia Saves Week](#). I encourage any of you with offices, partners, family, and friends in the Philadelphia area to participate in any of these events.
