AARP Presents “Navigating Your Way through Job Loss” Webinar

AARP will host a sixty-minute free webinar with members and job seekers 45+ affected by job loss. [Navigating Your Way through Job Loss](#) will be presented on May 20 and June 11, 2-3 p.m. Eastern Time.

This webinar leverages AARP’s efforts to provide mature job seekers with information, tools, and resources to:

- Create an effective job-search strategy
- Manage their job hunt, finances and health
- Connect with others to get the support they need
- Cope with the emotional ups and downs of unemployment

Webinar participants will receive a downloadable action plan with step-by-step tips and resources to help them succeed with their work search in today’s tough job market. We invite you to share this invitation with your members and interested affiliates. They may register by [clicking here](#). If you have any questions about the webinar, please contact Michael Herndon at mherndon@aarp.org.
