

2020 Workplace Wellness Survey

EBRI

The Workplace Wellness Survey is an unparalleled measure of worker attitudes and behaviors and the forces that affect them.

Become a Partner!

The Workplace Wellness Survey (WWS), as well as its predecessors, the Workplace Benefits Survey, the Health Confidence Survey, and Value of Benefit Survey, is the longest-running annual survey that assesses American workers' attitudes toward health and other employee benefits.

Possible Ideas for 2020 Topics:

- Satisfaction with health coverage
- Confidence in the health care system and Medicare
- Attitudes towards other workplace health benefits
- Financial wellbeing

Why become a Partner?

- ✓ Obtain full survey results—available only to Sponsors!
- ✓ Provide input into the 2020 study and get key questions answered.
- ✓ Use in marketing, presentations and public relations.
- ✓ Get specialized breakouts of key target markets.
- ✓ Enjoy the marquee value of being featured in survey reports, webinars, articles, and events.
- ✓ Engage with researchers to delve into survey findings.

The 2020 EBRI/Greenwald & Associates Health and Workplace Wellness Survey (WWS) examines a broad spectrum of health care issues, including workers' satisfaction with health care today, their confidence in the health care system and the Medicare program, and their attitudes and interest toward employment-based benefits. The questionnaire is anticipated to be finalized in May, and the survey will be fielded in June. The report will be released in the fall.
