# Anne Thibeault

**Vice President**  
**Head of Product Strategy and Solution Delivery**

Anne Thibeault is the Vice President and Head of Product Strategy and Solution Delivery for Empower. In her role, she focuses on workplace solutions that enable financial freedom for individuals and create better outcomes for institutions sponsoring and supporting workplace plans. In addition to developing an overarching product and financial wellness strategy, her leadership spans customer and market strategies, acquisition-driven product integration initiatives, and product deployment capabilities.

Anne joined Empower in 2022. Prior to joining Empower, she worked at Prudential Retirement, where she led digital product capabilities, overseeing strategy and delivery of individual and institutional digital platforms. Anne also served as head of Financial Wellness Deployment across Prudential's U.S. institutional businesses, enabling employers to improve the financial well-being of their employees through new capabilities, solutions, and insight-driven strategies. She led change and drove results across a variety of functions, including service, product, and distribution, in addition to serving as Chief of Staff to the President of Prudential Retirement.

Anne serves as Executive Chair of the Connecticut Insurance and Financial Services Executive Committee and is a member of the Stonehill College President's Advisory Council.
