

## **Christopher M. Bone**

Christopher Bone is an independent consulting actuary specializing in employee benefits and retirement programs. His professional expertise is the modeling, analysis and design of retirement employee benefits (pensions, retirement savings and retiree health and life insurance). He has also worked on proposed changes in the legislative and financial reporting areas.

Mr. Bone's work experience includes leadership roles in the private and public sectors. During 2013 - 2017 he served as the Director of the PBGC's Policy, Research and Analysis Department. He returned to PBGC in 2018 and was detailed to serve on staff for the Congressional Joint Select Committee on the Solvency of Multiemployer Pension Plans. His private sector experience includes 14 years as the Chief Actuary and 6 years as the US Retirement Practice leader for one of the world's largest employee benefit consulting firms.

Mr. Bone is professionally active and has served on the committees and boards of a number of professional and research organizations (including a year on the Board of the Employee Benefit Research Institute).

Mr. Bone is a Fellow of the Society of Actuaries, an Enrolled Actuary under ERISA, a Member of the American Academy of Actuaries and a member of the National Academy of Social Insurance.
