

Ken Mungan

Ken is the chairman of Milliman. He joined the firm in 1998. As chairman, Ken is working with all of Milliman's professionals to serve our clients to protect the health and financial wellbeing of people everywhere. Ken is a frequent speaker at industry events and the author of many professional articles. Prior to his election as the firm's global chairman, Ken founded Milliman's Financial Risk Management Practice. Milliman's financial risk management business is the leading provider of hedging services to the retirement savings industry. Its work helps the clients of life insurance companies, banks, financial advisory platforms and mutual fund firms create strategies for success in retirement. In particular, Milliman's strategies provide retail investors with institutional quality market risk management for variable annuities, 401(k)'s, and retail mutual funds. In addition, Milliman Financial Risk Management, LLC serves as an investment advisor to provide balance sheet hedging services for major financial institutions. EXPERIENCE Ken has pioneered investment & risk management techniques that are standard practice in the industry today. He and his team have worked with most major life insurers to protect the solvency of these institutions.
