

Learn about Enrollment Trends in HSA-Eligible Health Plans and Their Implications

During a March 7 webinar, EBRI's Director of Health Research, Paul Fronstin discussed recently-released EBRI research, with additional insights from Kris Haltmeyer (Vice President, Health Policy and Analysis, Blue Cross Blue Shield Association and the Vice Chair – Health, of EBRI's Research Committee). EBRI President and CEO, Lori Lucas provided opening comments and Josh Cohen, Managing Director, Head of Institutional Defined Contribution of PGIM, moderated the webinar.
